

Burning Seal

SEAL

🌀 After this seal is opened, lower the tide and deal 1 ⚡ to each of your team's creatures for each opened seal.

Each seal is connected to its gate by a wall of sound waves that locks it in place.

Primal Seal

SEAL

🌀 After this seal is opened, lower the tide and give a +1 power counter to each creature engaged with a player for each opened seal.

The seals are made from a material so tough that even a Logos proton scalpel cannot cut through it.

Arcane Seal

SEAL

🌀 After this seal is opened, lower the tide and each player discards 1 random card from their hand for each opened seal.

At the edges of each seal, hints of terrifying other dimensions bleed into reality.

Frigid Seal

SEAL

🌀 After this seal is opened, lower the tide and each player stuns 1 of their creatures that is not already stunned for each opened seal.

*The only thing that can close an opened seal
is the sonic power of The Vaultbinder.*
